

Nursing Perspectives on  
**Mastering**  
Challenging Patient Cases  
in **Lymphoma** and  
**Multiple Myeloma**

October 23, 2010  
Waldorf=Astoria,  
Starlight Roof, 18th Floor  
New York, New York

Chair:  
Beth Faïman, RN, MSN,  
APRN-BC, AOCN®  
Cleveland Clinic  
Cleveland, Ohio

A Luncheon Symposium  
during the Lymphoma &  
Myeloma 2010 Congress

Nursing Perspectives on  
**Mastering**  
Challenging Patient Cases  
in **Lymphoma** and  
**Multiple Myeloma**

**Corporate Support**  
The following company has  
provided an educational grant  
in support of this symposium:

# Nursing Perspectives on Mastering Challenging Patient Cases in Lymphoma and Multiple Myeloma

## Continuing Medical Education

Imedex®, LLC is accredited by the Accreditation Council for Continuing

Medical Education to provide continuing medical education for physicians.

Imedex, LLC designates this educational activity for a maximum 1.5 of *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## Nurses

This activity has been submitted to the Oncology Nursing Society for approval to award contact hours. ONS is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's COA.

## Who Should Attend

This educational activity is specifically designed for oncology nurses, nurse practitioners, clinical nurse specialists, nursing students, and other healthcare professionals involved in the care of patients with multiple myeloma or lymphoma.

## Objectives

After participating in this educational activity, participants should be able to:

- Identify at least two current therapeutic options for transplant-ineligible myeloma patients
- Discuss strategy to minimize the severity of myelosuppression
- Comment on the optimal management of peripheral neuropathy
- Identify at least two options of therapy for the transplant-eligible patient with lymphoma
- Describe the available treatment options for B-cell and follicular lymphoma
- Detail the current role in maintenance therapy for the oncology nurse
- Identify the current anti-myeloma therapies used in patients with renal insufficiency
- Discuss strategies for renal recovery, prevention of fractures, or other skeletal-related events

## Scientific Agenda

11:30 am  
Lunch is served

11:45 am  
Welcome and pre-activity knowledge/competence assessment

11:50 am  
**Case presentation: Systemic treatment in the myeloma patient who is transplant-ineligible**  
*Irene Ghobrial, MD*

- Discussion Topics:  
(Polling of audience via ARS)
- Current therapeutic options for transplant-ineligible patients
  - Minimizing the severity of myelosuppression
  - Optimal management of peripheral neuropathy
  - Duration of therapy and maintenance

12:10 pm  
**Case presentation: Managing the transplant-eligible patient**  
*Jonathan L. Kaufman, MD*

- Discussion Topics:  
(Polling of audience via ARS)
- Current therapeutic options for transplant-eligible patients
  - Identification of criteria for patient eligibility
  - Patient counseling on expectant outcomes
  - Reduction of potential side effects

2:30 pm  
**Case presentation: Risks and benefits of maintenance therapy in B-cell and follicular lymphoma**  
*Amy L. Goodrich, BSN, MSN, CRNP-AC*

- Discussion Topics:  
(Polling of audience via ARS)
- Overview of treatment options for B-cell and follicular lymphoma
  - Current role of maintenance therapy
  - Reducing side effects to avoid discontinuation of treatment

12:50 pm  
**Case presentation: Optimal management of myeloma patients with renal insufficiency and bone lesions**  
*Beth Faiman, RN, MSN, APRN-BC, AOCN®*

- Discussion Topics:  
(Polling of audience via ARS)
- Current anti-myeloma therapies used in patients with renal insufficiency and dosing schedules
  - Management strategies for renal recovery
  - Prevention of fractures and skeletal related events

1:10 pm  
Questions and post-activity knowledge/competence assessment

1:25 pm  
Adjourn

## Faculty

**Beth Faiman, RN, MSN, APRN-BC, AOCN®**  
*Cleveland Clinic  
Cleveland, Ohio*

**Irene Ghobrial, MD**  
*Dana-Farber Cancer Institute  
Harvard Medical School  
Boston, Massachusetts*

**Amy L. Goodrich, BSN, MSN, CRNP-AC**  
*Johns Hopkins Kimmel Cancer Center  
Baltimore, Maryland*

**Jonathan L. Kaufman, MD**  
*Emory University  
School of Medicine  
Atlanta, Georgia*

## Registration

Registration is complimentary to attendees of the Lymphoma & Myeloma 2010 Congress.
